

SleepWeaver® Élan® Life Cycle

Soft Cloth Nasal PAP Mask

Initial Set-Up – Starter Kit

The SleepWeaver Élan starter kit includes:

- Small, Regular and Large Mask/Cushion & Headgear
- SleepWeaver Feather Weight Tube®
- Tether Strap
- Quick Start Illustration Guide
- Instructional DVD
- Available in blue or beige

The SleepWeaver Élan Starter Kit is ideal for all new PAP therapy patients. The Starter Kit is the premium PAP mask package; that includes everything you need to effectively manage your therapy. Multiple sizes are included in the box for optimal fitting. The Feather Weight Tube is included as well to reduce pull and drag on the mask so you can maintain a good seal during the night. The optional Tether Strap allows you freedom of choice for tube placement.

3 Month Replacement – Mask/Cushion

SleepWeaver Élan Mask/Cushion

- Mask/cushion (available in small, regular and large)
- Quick Start Illustration Guide
- Available in blue, beige, pink, leopard and camouflage

The Mask/Cushion is a simple replacement item that allows the patient to personalize their Élan mask with five available color styles to choose from. The Mask/Cushion is just the cloth portion of the mask interface and is easy to replace. The recommended replacement of this type of component to the mask interface is every 3 months.

6 Month Replacement - Mask & Headgear Combination

SleepWeaver Élan Mask and Headgear Combination includes:

- Mask/Cushion (available in small, regular and large)
- Headgear
- Quick Start Illustration Guide
- Instructional DVD
- Available in blue and beige

The SleepWeaver Élan Mask and Headgear package is for individuals that already know their mask/cushion size and would like to order the mask and headgear together. This more traditional package only includes what you need to continue with your effective therapy.

9 Month Replacement – Mask/Cushion

SleepWeaver Élan Mask/Cushion

- Mask/cushion (available in small, regular and large)
- Quick Start Illustration Guide
- Available in blue, beige, pink, leopard and camouflage

The Mask/Cushion is a simple replacement item that allows the patient to personalize their Élan mask with five available color styles to choose from. The Mask/Cushion is just the cloth portion of the mask interface and is easy to replace. The recommended replacement of this type of component to the mask interface is every 3 months.

12 Month Replacement - Mask & Headgear Combination

SleepWeaver Élan Mask and Headgear Combination includes:

- Mask/Cushion (available in small, regular and large)
- Headgear
- Quick Start Illustration Guide
- Instructional DVD
- Available in blue and beige

The SleepWeaver Élan Mask and Headgear package is for individuals that already know their mask/cushion size and would like to order the mask and headgear together. This more traditional package only includes what you need to continue with your effective therapy.
